

How you can help us....

Volunteer Opportunities with TIOF

OSPREY AMBASSADOR - responsibilities would include attending community outreach events, engaging the public in conversations about ospreys, and inviting them to join TIOF.

OFFICE/GENERAL ASSISTANCE - responsibilities to include helping with mailings, picking up printed materials and or refreshments for meetings, setting-up/cleaning-up at meetings, working at the sign-up table at events

DATA ENTRY ASSISTANCE - responsibilities include entering data into spreadsheets and onto the Osprey Watch database. A working knowledge of Excel or Google Sheets helpful, but will train someone who is otherwise proficient with computer skills.

NEST MAINTENANCE - an adventurous spirit and carpentry skills required-responsibilities to include help with repairing and/or building platforms, helping to mount new platforms or making repairs on old ones.

COMMITTEE MEMBERSHIP - responsibilities would include helping Board members accomplish TIOF goals, helping Board members establish best practices to accomplish our mission, and being a sounding board to give feedback to Board members on osprey related concerns on an ongoing basis.

NEST MONITOR - responsibilities include scouting areas for new nests, visits to Osprey nests every other week during nesting-season, and recording observation data to be entered onto the Osprey Watch database.

YES! I would be willing to help TIOF in the following way (s):

I can _____ and/or _____
